Dear Sir/Ma'am,

**Push Button Procurement (PBP) functionality enhanced - No need for buyer to certify reasonableness of rates:**

- GeM has enhanced the Push button Procurement functionality enabled as per [DoE OM number F.6/7/2022-PPD dated 11th January 2023](#). The new guidelines for PBP are as follow:
  - (a) The total procurement value of the specific case may be up to Rs. Five lakhs inclusive of all taxes (No splitting of requirement to be done to bring procurement under this method).
  - (b) This method will be enabled by GeM only for select categories where at least ten sources are listed, and marketplace is sanitized.
  - (c) Once PBP bid is invited on GEM, contract will be placed directly by Gem System without any human intervention i.e., no evaluation or rejection of bids by buyer and without any need for buyer to certify reasonableness of price. Provided conditions as per DoE OM are satisfied, which would be checked by Gem system, - Not by buyer.
  - (d) GeM system would itself check that at least five bids are received (with minimum two Different brands).
  - (e) Individual bidders may quote more than reference price of PBP. GeM system would ensure that order is placed only if lowest price received after PBP is below the GeM marketplace price for identical requirements.

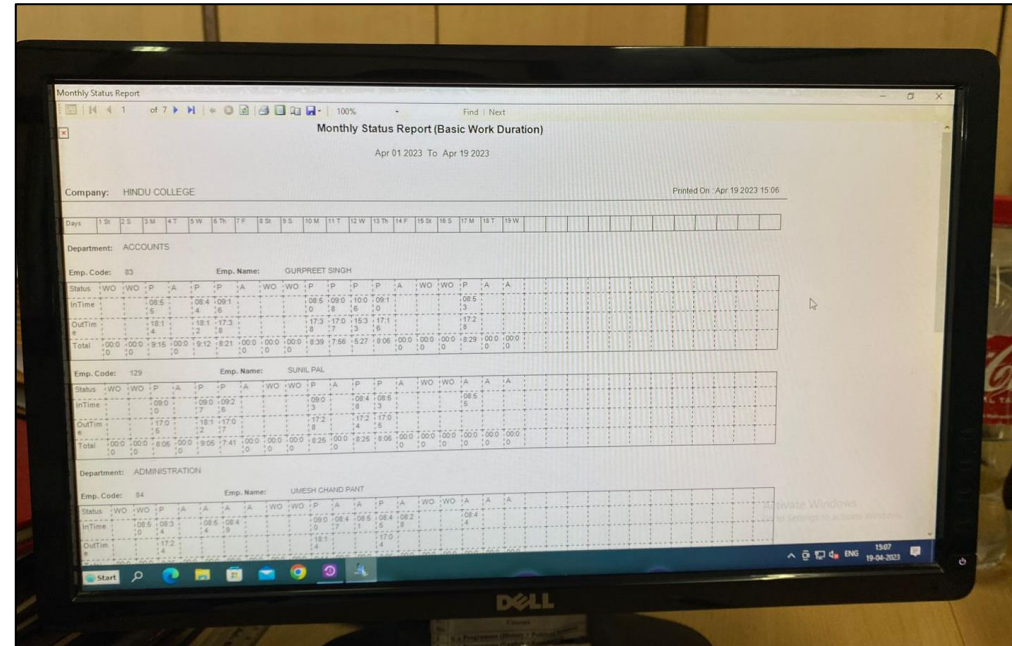

**Please refer [push button procurement Manual](#) for detailed guidelines. The details of [Categories](#) enabled for PBP are available here.**

At the bottom left of the notification area, there is a 'Ask GeMmy' button with a chat icon.
